WELCOME

The Beyond Health Movement: Transforming Care on the Central Coast

French Hospital has always put patients first, thinking beyond the community's immediate health care needs to build a safe, happy future together. We continue to look beyond what is expected of a community hospital and focus on what our region truly deserves.

This is why we created the Beyond Health movement, an inspirational vision to:

- Invest forward in new, world-class technology, specialists and services.
- Treat the minds, hearts and spirits of our patients, as well as their bodies.
- Help lead our region's economy by attracting new businesses, jobs and revenue.
- Spread a culture of *carism* that puts others first with real humankindness.

The Beyond Health campaign will fund a new, family-friendly campus—Your **New French Hospital**—setting the standard for excellent outcomes for every life. Plus, with double the capacity,

the hospital will be prepared so that no matter what's around the next turn, our caregivers can continue to provide comprehensive and compassionate care that exceeds expectations for you, your loved ones and your neighbors.

Read more about Beyond Health on the next few pages, then join us in the Beyond Health movement. Help secure our futures together by visiting GoBeyondHealth.org to learn all the ways you can donate and get involved. The Foundation also welcomes you to stop by and talk to us about how you can get involved. You have inspired us, so we hope to inspire you!

BEYOND HEALTH

Redefining Health Care in San Luis Obispo County

French Hospital Medical Center was founded more than 70 years ago and our current facility was built in the 1970s. Today, we're simply over capacity.

The **Beyond Health** movement was created in response to the real needs we have heard throughout our extended community of residents, businesses and visitors. Our commitment to our patients has resulted in a re-engineering of our processes and strategies to make sure we are prepared for the future. *Your **New French Hospital*** will provide enhanced and expanded services in a new Patient Care Tower designed for the care of our community.

Our area's unique needs are growing. From our active lifestyles to aging elders, families of all shapes and sizes deserve to live securely knowing that French Hospital is here for them, no matter what their needs are. They also deserve the privacy

required for more comfortable healing and enhanced doctor-patient communications. This is a big focus of *Your **New French Hospital***.

As growing businesses discover the beauty and untapped resources of the Central Coast, we will also attract a larger, more diverse population. This will require French Hospital to compete with the innovation of larger hospitals in order to maintain its award-winning reputation for positive outcomes.

The hospital is also focusing on providing more advanced care by ramping up our investment in new technologies and specialized caregivers. **We want to make sure patients don't have to travel out of the area to get the lifesaving treatment they need.** We believe keeping patients closer to home and in a family-friendly environment is critical to better healing.

YOUR NEW FRENCH HOSPITAL

will double our capacity with 82 new single patient rooms and transform every aspect of delivery of care.

THESE ADVANCES will redefine the health care experience in San Luis Obispo County, today and for generations to come.

85,000

sqft new four-story
Patient Care Tower

Expanded space for imaging,
labs and food services

New front entrance, lobby
and parking garage

Working towards a total projected cost of \$125 million, French Hospital has committed to investing \$95 million for this expansion of our campus and services. To close the funding gap, the French Hospital Foundation has launched the Beyond Health fundraising campaign to raise \$30 million.

RACHEL COICOU, RN

Nursing Director

As a Nursing Director at French Hospital, Rachel Coicou sees the need daily to go Beyond Health. Consistently high patient volumes in the emergency and inpatient departments make the need to expand the campus a critical one. Single patient rooms can lead to shorter lengths of stay, lower infection rates, less noise, and fewer sleep disturbances.

“Our excitement, specifically for single patient rooms, is multifaceted, but the first is that it offers the increased opportunity to deliver higher levels of personalized patient-centered care.”

– Rachel Coicou, DNP, MBA, MSN, RN, NEA-BC
Director of Telemetry, MedSurg & Wound Care

GRATITUDE FOR CARE INSPIRES MONUMENTAL GIFT

Stan and Barbara Clark donate \$4.2 million to support Your New French Hospital

During the launch of the Beyond Health campaign, the Foundation announced a transformative lead gift from Stan and Barbara Clark. Their \$4.2 million gift is the second largest donation to the Foundation in the history of the hospital and was inspired in part by the gratitude the couple felt for the care Stan received as a patient at French Hospital several years ago.

Stan and Barbara relocated to the Central Coast from Los Angeles nearly 20 years ago, making the San Bartolome Ranch their new home—a 3,000-acre cattle ranch north of Paso Robles on the south shore of Lake San Antonio. After moving from a metropolitan area, Stan and Barbara were extremely impressed with the compassionate and top-notch care Stan received at French Hospital during an unexpected emergency. Since that time, the Clarks have become avid supporters of the hospital, understanding that contributing to the Foundation provides local residents the opportunity to receive the best quality care the community deserves without leaving the area.

In recognition of their generous gift, the new Neonatal Intensive Care Unit in the Patient Care Tower will be named the Stan and Barbara Clark Neonatal Intensive Care Unit.

"We are so grateful that French Hospital was there when we needed medical care. Both Barbara and I fully support the hospital expansion efforts to continue its tradition of providing the most advanced care in a healing environment so people don't have to leave San Luis Obispo County," Stan says.

Barbara adds, "The new NICU with private rooms is needed in our community and will keep families together. Quality services for children and newborns have always been our passion."

CREATING A HOLISTIC HEALING ENVIRONMENT

Harold J. Miossi Charitable Trust provides support for green space

Whether you are a patient or visiting a family member or friend, hospitals can be a stressful place. As French Hospital goes beyond what is expected in a typical hospital environment, **Your New French Hospital** will place a special focus on creating holistic grounds to treat the whole patient and family. The hospital expansion will incorporate green spaces, healing gardens, artwork and more public areas to soften the clinical aspect of the hospital and provide a healing environment for patients, visitors and caregivers.

Inspired by these efforts, the Harold J. Miossi Charitable Trust made a significant donation to support the green spaces and holistic grounds that will be an integral part of the new hospital campus.

In recognition of Harold Miossi and his passion for the environment, a new rooftop terrace providing space for sensory stimulation, socializing and outdoor activities in the new Patient Care Tower will be named the Harold Miossi Garden Terrace.

It is well documented that green space and gardens relieve stress for both patients and caregivers and improve the overall health care experience. In fact, just a few minutes of relaxing outdoors or viewing green spaces and gardens can reduce anxiety and pain. This inspired French Hospital to incorporate flowing, quiet and serene spaces that soothe the entire body and mind.

Improving the Patient Experience

In addition to the Harold Miossi Garden Terrace, other green spaces and holistic areas include:

- Pedestrian-oriented plaza and entry court, both featuring decorative landscaping, ornamental shade trees and colorful pavement patterns
- Exterior patio adorned with lush foliage draping from terraced planters
- Meditation areas and an interfaith chapel

Harold Miossi Garden Terrace

THERAPY DOGS WITH THE HEALING TOUCH

Nursing pioneer Florence Nightingale once said, “A small pet is often an excellent companion for the sick.” Some volunteers at French Hospital Medical Center are living proof of those wise words.

Since 2013, dogs of all sizes have been visiting patients at French as part of the hospital’s Pet Therapy Program. On most days, a therapy dog and its human trainer/owner can be seen walking the halls of the main campus or interacting with patients at the Dignity Health Infusion Center in San Luis Obispo.

The program, which is supported by the Harold J. Miossi Charitable Trust, currently has nine active handlers and 10 therapy dogs. All of the dogs are vaccinated and certified with the Alliance of Therapy Dogs.

Program volunteer Denise Fitzgerald said it’s incredibly rewarding to see the healing benefits of pet therapy first-hand. Denise, who has been with the program since it launched and has three therapy dogs, described a powerful interaction she had with a patient at the Infusion Center. Denise’s dog, Mr. Bingley, was sitting calmly on the woman’s lap while she was getting her blood drawn.

“Her blood actually flowed faster because she was so relaxed from petting Bingley,” Denise said.

And the therapy dogs aren’t just beneficial for patients—they also comfort the patients’ families and hospital staff. Denise recalled an especially difficult visit with a family that was taking a loved one off of life support. She took a brush out of her pocket and invited the family’s children to brush Mr. Darcy’s ears, one of her other therapy dogs.

“Those little girls brushed Mr. Darcy’s ears for about 45 minutes,” she said, adding that the parents were thankful their girls had something normal to do during an understandably frightening time.

In some ways, the dogs have become little, furry celebrities. The hospital even created a Pet Therapy Dog Wall with all of the dogs’ photos, and each of them gets an official trading card, bandana and leash.

But they haven’t let the fame go to their heads—they’re too busy spreading joy and making people feel better.

“I think we all feel blessed that we have such wonderful dogs that allow us to do what we do,” Denise said. “Sometimes I leave visits wondering who got more out of the visits—me, my dog or the people we were there to visit.”

Pet Therapy Dog Bennett and his handler, Denise Fitzgerald

PHILANTHROPY IS ALL IN THE FAMILY

Giving is a family affair for Dignity Health employees Sam and Patrick Argentieri. The father and son both work as couriers, transporting medical records, X-rays, specimens and more all over the Central Coast, including to and from French Hospital Medical Center.

And, for the last few years, they've both donated back to the French Hospital Medical Center Foundation through the Employee Caring Circle program.

"The hospital has been very good to me, and I want to help others by giving back to those who need it," said Sam, who has donated a significant portion of his unused paid time off (PTO) to the Foundation.

Part of the Argentieris' job as couriers is to deliver packages and letters to the hospital mailroom. In order to get to the mailroom, they have to walk by the Foundation office.

"When I put away the mail, I always look for mail for the Foundation and then walk over and give it to them," Sam said.

Both men soon learned about the hospital's employee giving program. Sam started first as a way to "pay it forward" to the community for the support he received after his wife died 17 years ago. Donating PTO worked well for Sam because he doesn't use it often and because a cap is put on how much PTO an employee can have available. It's a great way for PTO hours that would otherwise be lost to be used for a good cause.

Father and son employees, Sam (left) and Patrick (right) Argentieri

About a year later, Patrick followed in his father's footsteps after witnessing the destruction caused by the Camp and Tubbs fires in Northern California. Seeing how people came together to support those communities inspired him to give back to his own.

"This way I can help people locally," said Patrick, who donates each pay period to the Foundation.

This father-son duo is just one example of the numerous French Hospital employees who give back to their work community. Since 2006, employees have donated more than \$590,000 to the hospital, supporting projects such as the Healing Garden, Outdoor Fitness Zone, French Bistro Café, the "French—Well into the Future" Capital Campaign, Copeland Health Education Pavilion and more.

LEAVING A LEGACY

Louis M. Tedone, MD

French Hospital has played a very important role in Dr. Tedone's life, both professionally and personally. He was one of the first physicians recruited to French Hospital by Dr. Edison French, French Hospital's founder, and he enjoyed a 50-year career as a pediatrician in San Luis Obispo County. He is a truly beloved member of our community.

Dr. Tedone has also been a patient at French Hospital over the years, having a complex, five-vessel cardiac bypass in 2001. With the addition of French Hospital's electrophysiology program, he was able to have an ablation procedure to correct persistent arrhythmia in 2017.

"I feel very fortunate that these procedures can be done at French, where I am treated like family," says Dr. Tedone.

"Having these procedures done locally avoids the inconvenience and cost of traveling out of town."

His unique perspective as both a physician and a patient prompted him to consider how he could make a lasting impact for future patients at French Hospital: "I set up a legacy gift to help French Hospital continue providing excellent care."

Dr. Tedone encourages others to explore gift options that they might not have previously considered, such as estate gifts, which can cost you nothing during your lifetime.

You too can make a gift that costs you nothing in your lifetime.

Consider a gift to French Hospital Medical Center through:

- Your Will or Living Trust
- Charitable Gift Annuity
- Charitable Remainder Trust
- Retained Life Estate
- Gifts of Real Estate

To learn more about planned gifts, including options that can provide you with lifetime income and tax savings, visit www.supportfrenchhospital.org and click on "Plan Your Legacy". You can also email legacycircle@dignityhealth.org or call 805.542.6496.

Join The Legacy Circle

The French Hospital Legacy Circle recognizes generous individuals who have made a financial provision to French Hospital in their estate plans. As a member of the Legacy Circle, you will make an important investment in the future of your community's health care. If you have included French Hospital Medical Center in your future plans, please let us know so that we can thank you appropriately. This also helps us to fully understand your intentions and ensure that a plan is in place to implement your vision.

FOUNDATION FUN(D) RAISING EVENTS

Generosity in Our Community Continues to Astound

Raising close to \$1 million in Fiscal Year 2019, Foundation events continue to provide guests with enjoyable opportunities to give back to their community. The Foundation extends its sincere thanks to all event sponsors, attendees, donors and volunteers.

Celebration of Caring Gala

*Sponsored by Noreen Martin & Dr. Chris Hulburt and
Nick & Kathy Tompkins*

The Celebration of Caring Gala held on August 25, 2018 raised more than \$392,000, with 480 guests in attendance. The “La Belle Soiree” themed event transformed the ACI Jet Center into an elegant French soirée.

Guests enjoyed delicious cocktails and appetizers during the reception while bidding on a wide array of silent auction items. Following a French-inspired dinner, an exciting live auction featured unique items, such as a stay at the luxurious Four Seasons Villa in Punta Mita, Mexico. The annual Louis Tedone, MD Humanitarian Award was presented to Paul and Bridget Ready for their outstanding dedication to our community. Proceeds from the Gala supported the Beyond Health campaign for **Your New French Hospital** and the Angel of Hope Fund at the Hearst Cancer Resource Center.

Humankindness Personified

Louis Tedone, MD Humanitarian Award

The Louis Tedone, MD Humanitarian Award was established by the Foundation to recognize the extraordinary contributions of those individuals dedicated to building healthier communities. The award honors the legacy of Dr. Tedone and his concern and caring for children in our community. The award is presented annually at the Foundation's Celebration of Caring Gala.

Paul and Bridget Ready—2018 Recipients

Paul and Bridget Ready champion the causes of children in San Luis Obispo County who have illnesses, disabilities and special needs. In 2006, they founded the nonprofit Jack's Helping Hand after losing their son, Jack, to a three-year battle with brain cancer. Jack's Helping Hand is now celebrating nearly \$2 million in assistance given to local families. Paul is a principal at the law firm Farmer & Ready and has served as a Planning Commissioner for the City of San Luis Obispo, board member of the Cuesta College Foundation and president of San Luis Obispo Rotary de Tolosa. Bridget is a teacher in San Luis Obispo and a spokesperson for the Lucille Packard Children's Hospital in Palo Alto. In 2009, Paul and Bridget received the Children's Health Initiative Champions for Children Award. We are grateful for their tireless efforts to support children in our community with special needs.

Left to right: Alan Iftiniuk, Erik Justesen, Louis Tedone, MD, Award Recipient Rick Stollmeyer and Michael Clayton, MD

Rick Stollmeyer—2019 Recipient

Rick Stollmeyer co-founded MINDBODY in his garage in 2001 and today serves as the company's CEO and principal visionary, ensuring that the company embraces its purpose: help people lead healthier, happier lives by connecting the world to wellness. Rick believes in giving back to his community. His philanthropic efforts include funding scholarships for lower-income and minority students at Cal Poly, providing support to the Cal Poly Center for Innovation and Entrepreneurship and SLO HotHouse, and funding year two of the Cuesta College Promise Scholarship. An avid supporter of French Hospital, Rick gave a substantial gift to support the creation of the Stollmeyer Family Birthing Center and is an ongoing supporter of the Hearst Cancer Resource Center. Rick's passion for expanding education, promoting local entrepreneurialism, fueling regional economic development and enhancing wellness is making a significant impact on the Central Coast.

Honored past recipients include these extraordinary individuals:

2017—Noreen Martin

2016—Dr. Gilbert H. Stork

2015—Bert and Candace Forbes

2014—Jim Copeland

2013—John and Sandy Dunn

Share the Hope

Hosted by Steve & Barbara Hearst

The 12th annual Hearst Cancer Resource Center (HCRC) fundraiser was held on April 6, 2019 at the renowned Hearst Castle and Hearst Ranch. The generosity at this event never ceases to amaze and inspire those who attend. This year's Share the Hope was no exception, raising more than \$469,000 to support the HCRC Endowment, with 200 guests in attendance.

Dressed in western attire, guests were treated to a champagne reception at the Neptune Pool at Hearst Castle with live music from Louie Ortega and Friends. The evening continued at the Hearst Ranch Dairy Barn, which was decorated in a boho-chic theme featuring stunning floral arrangements. Guests enjoyed a gourmet dinner by Trumpet Vine Catering accompanied by Hearst Ranch wine. An adorable labradoodle puppy and a swim at Hearst Castle were highlights of the live auction. The evening concluded with a moving Call to Action to support the Center, featuring a breast cancer patient's story.

The French Cup Golf Tournament

Sponsored by Mustangs Sports Properties

The 13th annual French Cup Golf Tournament was the most successful to date, raising more than \$87,000 to support the Beyond Health campaign for **Your New French Hospital**. The tournament was held on June 10, 2019 at the San Luis Obispo Country Club.

Golfers started the day with Bloody Marys, swag bags with Straight Down apparel and prepared for a day of contests and competition. While out on the course, players enjoyed delicious food and drinks from Ciopinot Seafood Grille, La Esquina, Olde Port Inn, San Luis BBQ, KROBÁR Craft Distillery and Central Coast Brewing. The winning golf foursome, which included Sofie Aagaard, Leonard Cohen, Dan Miller and Justin Warten, received the highly acclaimed French Cup medals created by Malcolm DeMille, designer of the PGA Tour trophy.

THE HISTORY OF FRENCH HOSPITAL MEDICAL CENTER

Since opening more than 70 years ago, French Hospital has undergone sweeping changes, growing in response to the needs of our community. Since joining Dignity Health in 2004, French Hospital has partnered with our community to bring advanced health care to San Luis Obispo County. These efforts continue today to plan for our community's future.

WHAT DOES IT MEAN TO BE NOT-FOR-PROFIT?

While for-profit organizations distribute surplus revenue to shareholders or owners, not-for-profit organizations invest these earnings back into their organizations to further achieve their mission and goals. As a not-for-profit hospital, French Hospital Medical Center reinvests profits back into the hospital and into our community by providing community benefits programs and charity care.

100% OF YOUR DONATION BENEFITS THE CAUSE

French Hospital covers all Foundation operating costs, which means that donor funds are never used to pay for any administrative costs. Because of this, **100% of your donation stays local and benefits our community by going directly to where it is needed most—patient care, programs and services.**

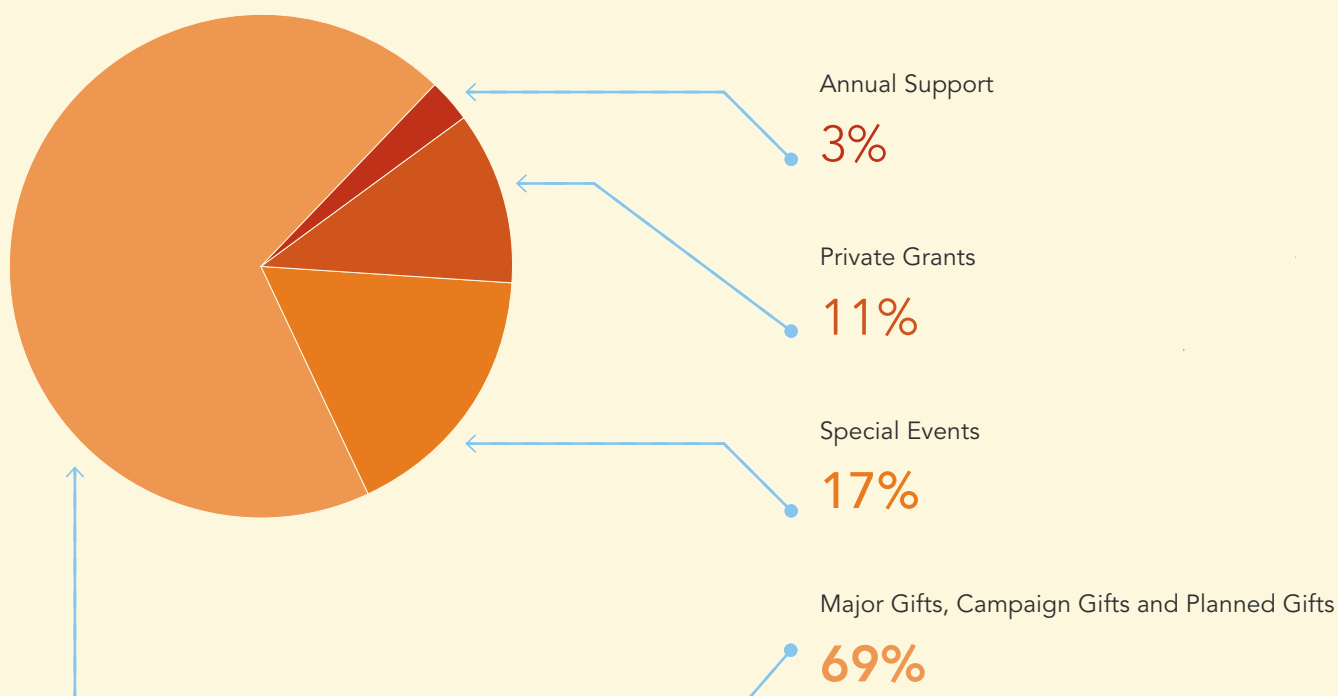

Donations, both large and small, enable the Foundation to:

- Provide cutting-edge technology and the very best medical equipment
- Build and support health education and community outreach programs
- Support those who cannot afford the costs of health care
- Provide an array of vital patient programs at no charge to patients
- Support improvements in the quality of patient care and safety

French Hospital Medical Center By The Numbers—Fiscal Year 2019

WHO IS YOUR GUARDIAN ANGEL?

The Guardian Angel Program at French Hospital

Give thanks for extraordinary care

French Hospital Medical Center is proud of our many team members who are dedicated to providing compassionate care to our patients. They know humankindness is the best medicine and practice it on a daily basis. They are our Guardian Angels.

Has a French Hospital physician, nurse, staff member, or volunteer touched your life? Have you experienced the power of humankindness while at our facility? The Guardian Angel program provides grateful patients and their loved ones the opportunity to thank caregivers and other team members who made a difference during their visit or stay by making a donation to the hospital in their name.

When a gift is made, your Guardian Angel will receive a letter informing him or her of your thoughtful gift in their

honor (no gift amount will be mentioned). In addition, they will receive a Guardian Angel lapel pin for special recognition and will also be recognized among their colleagues.

Your gratitude completes the circle

By making a donation in the name of someone who has made a difference in your care, you will make a difference in the care of future patients. Your generous support will directly enhance patient care at our hospital and help us to further our mission of improving the health and quality of life of the communities we serve.

To learn more about our Guardian Angel Program, please visit supportfrenchhospital.org or call the Foundation at 805.542.6496.

FRIENDS OF THE FOUNDATION

EMPLOYEE CARING CIRCLE

Our employees are proud to be part of a team that provides amazing care to our community. They witness first-hand how giving is one of the most powerful expressions of compassion. Since 2006, employees have donated more than \$590,000 to the hospital. The following employees contributed between July 2018 and June 2019:

200 of our dedicated employees give back to support patient programs and services

MEMORIAL & TRIBUTE GIFTS

In times of sorrow, a gift in memoriam provides the opportunity to honor the passing of a friend or a loved one. In times of joy, a gift in celebration serves as a unique acknowledgement of a milestone, such as the birth of a baby, a birthday, an anniversary or special occasion in honor of a friend, relative or colleague. These memorial and tribute gifts were received between July 2018 and June 2019 for the following funds.

ANGEL OF HOPE ENDOWMENT

OUR VALUES

Dignity
Collaboration
Justice
Stewardship
Excellence

Our Mission

As a member of Dignity Health, French Hospital Medical Center partners with the community to improve the quality of life here, and dedicates resources to delivering compassionate, high-quality, affordable health services that help and advocate for our disenfranchised sisters and brothers.

Our Vision

We strive to create a vibrant, national health care system known for service, chosen for clinical excellence, standing in partnership with patients, employees and physicians to improve the health of all communities served.
